# PUZZLEMANIA®

# Say Cheese!

Miss Noodleberg's class is getting ready for their school photo. Before the photographer finishes clicking, can you find at least **20** differences between these pictures?

Answer on page 30

Two of these students are NOT in Miss Noodleberg's class.  
Can you find them?

# HILARIOUS!

These hyenas have a serious case of the ha-has. They must be laughing at the funny words hidden in the grid on the next page. See how many you can find by looking up, down, across, backwards, and diagonally. Be careful—many of the letters appear in more than one word.
