Rapid Repeat

Look out! This raft is heading straight for Rollercoaster Rapids. Before everyone gets soaked, see if you can find at least **20** differences between these pictures.

Answer on page 30

Which fish matches the one on this page?

Illustrated by Brian White

Lost and Found

The Lost-and-Found Desk opens in 15 minutes, and there's already a long line. Can you tell which lost item belongs to which owner?

Answer on page 31

Camp Out

Cole and each of his three friends went to a different camp this summer. Each camp had a different theme, and each was held at a different time. From the clues below, can you figure out which camp each friend attended and when?

Answer on page 31

Use the chart to keep track of your answers. Put an **X** in each box that can't be true and an **O** in boxes that match.

	Cole	Abby	Marissa	Paul
Music Camp				
Soccer Camp				
Swimming Camp				
Art Camp				
July 1–15				
July 16–31				
August 1–15				
August 16–31				

1. Cole's camp did not have a single soccer ball. He went to camp sometime in August.
2. The girl who went to Art Camp was there from July 16 to July 31.
3. Paul's camp was all about music. He did not go in August.
4. Marissa went to her camp before Abby went to hers. Abby was not the last friend to go to camp.

Rap It Up

Use the clues below to fill in the answer spaces. Each of the answers contains the letters **R-A-P**. See if you can answer them all and wrap up this puzzle.

Answer on page 31
